Game Cancellations/Forfeits/Reschedules: We are unable to reschedule games to accommodate team conflicts unless it is brought to our attention in the comments box located above or at the time of registration. We MAY be able to accommodate conflicts sent to us after registration that are sent to us prior to the schedule being written, but it is not guaranteed. If an unforeseen event occurs that prevents your team from attending a scheduled game, the following will apply: During peak season Oct 1-Apr 30: No reschedules. Please try to assemble a team. During non-peak season May 1-Sep 30: With 5 business days notice, we will contact the opponent to indicate your request for reschedule. If the opponent declines, a guest team will be invited to play in your place and a forfeit assigned to your standings. If accepted, the reschedule date will be at the discretion of SoccerCity/River's Edge and the opponent and must occur prior to the end of the current session. This game will be scheduled as field availability permits and may need to be played on a day that is not typically assigned to your league. Multiple forfeits may lead to expulsion from the league with no refund.

Payments: Full payment must be received at first game of session. (One check for total amount is appreciated.)
Team Rosters: Completed rosters are due prior to first game of session. Please see roster for additional information.
Umpire Fees: Teams are responsible for umpire fees of \$12 per team per game.

INDOOR SOFTBALL RULES:

9 inning game or 50 minutes whichever comes first. If there are more than 2 innings to go with less than 5 minutes to play, the game switches to a one pitch rule to and get the entire 9 innings of play in. No inning can start after the 50th minute.

- How ties will be handled:**
- a. We will go one extra inning
 - b. Start the inning with last batter on second base
 - c. Will do 1 pitch
 - d. If no one scores at the end of the inning we will end in a tie
 - e. No Courtesy runner for extra innings

If batted ball hits side wall in box and comes back on field, it's just a live ricochet like any other ball. If it stays in, it's automatic single. If it goes in player box and hits the FLOOR and comes back out, it's still automatic single.

If a thrown ball goes into the player box, then the runner gets the base they were headed to, plus one extra. So if player was running from second to third, he gets third, plus he gets home as well. All other base runners get same reward.

Courtesy Runner Rule: One courtesy runner per inning. If a courtesy runner is on a base when it comes time for them to bat, he comes off the base to bat, and becomes an automatic out.

- Any ASA or USSSA approved bat is allowed
- We will use Easton softy ball
- No metal cleats
- Bases are approximately 55ft for runner's safety
- Foul ball lines marked and pointed out by umpire
- Batters start with a 1-1 count and 1 free foul
- Can pitch up to 6ft behind rubber
- No fake pitches allowed
- Pitch height between 5-10 ft
- No headfirst sliding except to return to your home base
- No sliding into first base
- No stealing
- Ball hit off top netting is live and can be caught
- Ball hit off the side netting or the side wall is live
- Ball hit into the goal without being touched is a home run
- Ball hit into the top net, back at the goal is a home run
- Ball hit off the back wall on a fly is a double
- Ball hit into player's bench is a dead ball single
- No cursing/confrontation with the umpire or other team
- No music to be played on the field
- No spitting on fields – automatic out for team
- Please clean up after game
